MAYES PROPOSED AMENDMENT NO. 1

TIME/DATE PREPARED: 12/13/10

COMPANY: AEPCO

AGENDA ITEM NO. 7

DOCKET NO(S). E-01773A-09-0472

OPEN MEETING DATE: 12/14/10

Page 15, line 15, INSERT New Finding of Fact: "In addition, the Commission believes that AEPCO should include in its study of the future of Apache Station an assessment of the potential rate impacts associated with looming Environmental Protection Agency rulemakings regarding mercury emissions, coal ash, and any other known or pending EPA regulatory actions that could impact the Station, AEPCO, and its customers, and provide recommendations to the Commission regarding potential methods for mitigating the Company and its customers' exposure to those rate impacts for the Commission's review and consideration."

Page 17, line 8, INSERT New Ordering Paragraph: "IT IS FURTHER ORDERED THAT AEPCO shall include in its study of the future of Apache Station an assessment of the potential rate impacts associated with looming Environmental Protection Agency regarding mercury emissions, coal ash, and any other known or pending EPA regulatory actions that could impact the Station, AEPCO, and its customers, and provide recommendations to the Commission regarding potential methods for mitigating the Company and its customers' exposure to those rate impacts for the Commission's review and consideration."
